

IMPORTS AND EXPORTS OF NEW-YORK.

General Statement of Goods, Wares and Merchandise, of the growth, produce and manufacture of Foreign Countries, imported into the Collection District of New-York, compared with all other ports, during the Fiscal Year ending June 30, 1860; with the imports of the preceding year.

The following summary has been compiled from the official report of the Secretary of the Treasury, on the commerce and navigation of the United States, for the year 1859-60. The summary is interesting, in showing the proportion of goods, &c., imported at New-York City, compared with all the other ports of the United States :
